### LETTER OF QUALIFICATIONS

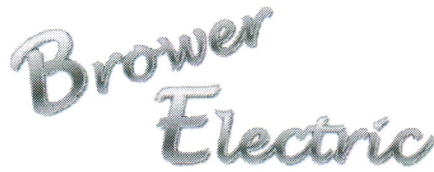

Brower Electric is a family owned and operated business first established in Iowa in 1950. We have been doing business in Missouri since 1978 from our Bevier Missouri office. Our owners and supervisors have numerous years of experience in all aspects of residential, multi family, commercial and industrial electrical wiring design and layout. Some of our more recently completed projects with dollar values ranging from \$25,000 to \$1,750,000 are listed below along with the general contractors we worked with on these projects. We have been doing business from our Southern Missouri office since 2004.
